When this form of execution is requested, a minimum moving cost of \$ 300.00, plus all other applicable statutory fees and costs, will be assessed for "dry runs", i.e., those instances where no property is ultimately removed.

If the anticipated court cost deposit paid under the terms of this Execution Instruction Form is insufficient to pay for the actual costs of inventorying, packing, transportation and storage of the evictee's property (when requested), you will be required to satisfy the difference between the actual cost and the deposit made herewith. Any unexpended funds will be returned by the District Court Clerk to you at the conclusion of the proceedings.
